

# Southbourne Safety Campaign

Residents in all areas of the Southbourne Parish are concerned for their safety due to

1. Traffic Speed
2. Vegetation hazardous to pedestrians

## 1. Traffic Speed in Prinsted.

An application had been made to West Sussex County Council for a 20mph TRO in Prinsted Lane.

## 2. Overgrown vegetation reduces the pavement and lane width and causes an obstruction

**Would residents please remove vegetation outside of their boundary**

Residents can help improve safety in Southbourne by reporting concerns to WSCC

Report a problem to W.S. Highways
